### DAILY FREE PRESS - SEPT. 21, 1850 Slave Trade in the District of Columbia.

The following is the bill as it passed the

trict of Columbia. Sec. 1. Be it enacted by the Senate and and after the first day of January next, it shall not be lawful to bring into the District of Culumbia any slave whatever, for the purpose of b ing sold, or for the purpose of being placed deput, to be subsequently transferred to any ther State or place, to be sold as merchandize. And if any slave be brought into the said District by its owner, or by the authority or onsent of its owner, contrary to the provisions f this act, such slave shall thereupon become

iberated and free. Sec. 2. And be it further enacted, That it hall and may be lawful for each of the Corporations of the cities of Washington and George-

We have been at the pains to put together our returns from 350 towns and plantations in this State, leaving but few to be heard feom, and compare their votes for Governor with the votes of last year. In these towns there is been an increase of 3875 to the Whigs, and of 3523 to the Locofocos. The Free Soil vote has tallen off 879. Mr. Hubbard has a small majority in these towns, which those not heard from may increase several hundred.

To the Senate the Whigs have probably elected 1 in Bork, 1 in Cumberland, 4 in Linsoln, 1 in Hancock and Washington, 3 in sebec, 10 in all. The Locus have chosen 1 in York, 1 in Cumberland, 3 in Oxford, 3 in Waldo, and I in Hancock. There has been improvingchoice in the other districts, unless Hecker Whig, has been chosen in Aroostook, as the Bangor Mercury of the 17th claims. to 85 Locos .- | Boston Atlas.

PREFARATIONS FOR THE BOSTON PARTY .-- | ment troops stationed there-Montreal, Sep. 21- Indian games and races

I. O. of O. F.-U. S. Grand Lodge.

CINCINSATI, Friday, Sept. 20. The Grand Lodge of the United States Inde-pendent Order of Odd Fellows has closed its a move in the House to day, for the passage of Annual Session. The next Convention is to be the following amendment to the existing tariff The steamers Philadelphia at New York brings fourteen days later news from California. They have decided that as sees ment tax must be paid by all, and no Remains brought California dates to Acquest 15th, and the Philadelphia brings many of their passes are to be admitted to a seat whose body has not paid its tax. Mileage is reduced to five cents per mile. Price of books, cards, pengers, and nearly \$800,000 of gold on freight. &c., doubled by the decisive vote of 58 to 13. The following despatch gives a full abstract of the news:

New York Friday evening, Sept. 20.—The Steamer Philadelphia from Chagres, 9th inst., arrived this afternoon, with a large number of passengers, and news from San Francisco to she to the Ohio brethren.—Tel. to N. Y. Triviage of the united States, shall be assessed on the value thereof at the principal ports of the third States at the time of importation:

Provided that in o case shall duties be assessed on the value thereof at the principal ports of the United States, shall be assessed on the value thereof at the principal ports of the United States, shall be assessed on the value thereof at the principal ports of the United States, shall be assessed on the value thereof at the principal ports of the United States, shall be assessed on the value thereof at the principal ports of the United States, shall be assessed on the value thereof at the principal ports of the United States, shall be assessed on the value thereof at the principal ports of the United States, shall be assessed on the value thereof at the principal ports of the United States, shall be assessed on the value thereof at the principal ports of the United States, shall be assessed on the value thereof at the principal ports of the United States, shall be assessed on the value thereof at the United States, shall be assessed to the United States, shall be assessed to not the value thereof at the principal ports of the United States, shall be assessed to not the value thereof at the principal ports of the United States, shall be assessed to a low grand bode sto be not the Value thereof at the United States, shall be assessed to the United States at the United States, shall be assessed to the United States at th Lune.

ensued, and the Mayor and several others were Hon. John Nonvell, and the busband of Mrs. window glass, and lineed oil, thirty per cenmortally wounded, ann there were nearly a dozen reported killed.

Martial law had been proclaimed. A steamer was despatched from Sagramento to Benicia,

when the Philadelphia left Chagres there meec, about 4 years old, who had fallen into was some few cases of the prevailing disease, which was confined almost entirely to the native population.

Missinguo river. The neice was also drowned. They sunk in the water about 30 feet deep interestive population.

#### The California News.

The news from the mines is of the most encouraging nature. We notice that several lumps weighing from ten to forty pounds had been found, and at some of the newly discovered places the yield was from one to five dol.
